

PRESS RELEASE

Double certification for Attica Group under ISO 45001:2018 international standard

Attica Group, parent company of SUPERFAST FERRIES, BLUE STAR FERRIES, and HELLENIC SEAWAYS, is proud to announce its certification under the ISO 45001:2018 international standard for the

- **operation of Group Headquarters, Administrative Support and Vessel Management**
- **implementation of craft maintenance / repair work**

The certifications were received in February 2022 from TÜV AUSTRIA HELLAS.

Faithful to our vision of creating a work environment that safeguards the health of its employees, customers, and partners, Attica Group implements an Occupational Health and Safety Management System (**OH&S**) that complies with the requirements of the ISO 45001:2018 standard and the relevant legislation.

In this framework, Attica Group is committed to:

- ✓ Protecting the health and safety of its employees and partners
- ✓ Prioritising OH&S matters in its business decisions
- ✓ Promoting a common understanding which ensures that all Attica Group employees are equally committed to OH&S matters
- ✓ Complying with all legislative and other requirements relating to OH&S
- ✓ Eliminating all OH&S hazards and minimising OH&S risks
- ✓ Continuously improving the OH&S Management System
- ✓ Providing all necessary resources for maintenance of the OH&S Management System
- ✓ Ensuring unrestricted, unobstructed and without discrimination consultations with its employees, – as well as their active participation in achieving a safe and healthy workplace.

In the framework of the implementation of the Occupational Health and Safety Management System, Attica Group aims to:

- ✓ Identify and limit OH&S hazards within the organisation
- ✓ Effectively control OH&S risks through participation of all employees within the organisation
- ✓ Investigate all OH&S incidents in order to identify their causes and take the necessary corrective actions/steps
- ✓ Manage OH&S matters related to suppliers and partners

- ✓ Raise awareness of and train Group employees and partners regarding OH&S
- ✓ Evaluate employees according to OH&S-related indicators
- ✓ Implement OH&S indicator measurement and reporting methods and set goals designed to further improve OH&S performance
- ✓ Improve the overall performance of the Group without jeopardising employee H&S or compliance with legislative requirements.

Attica Group is engaged in passenger shipping through SUPERFAST FERRIES, BLUE STAR FERRIES, HELLENIC SEAWAYS and AFRICA MOROCCO LINK operating 35 vessels providing modern, high-quality transportation services in Greece and abroad. Attica's vessels serve 60 unique destinations in 4 countries, connecting 71 ports transporting over 7 million passengers, 1 million passenger vehicles and 400,000 trucks every year.
