

## **ANNOUNCEMENT**

### **ACQUISITION OF A RORO VESSEL BY ATTICA GROUP**

Attica Holdings S.A. (Attica Group) announces the acquisition of the RoRo vessel Clementine from CldN Ferries NV for a cash consideration of Euro 13.4 million, which was financed by own funds and a bank loan obtained from a foreign bank.

Clementine, the second RoRo vessel of Attica Group, was built in 1997 and has overall length of 162.49 meters, gross tonnage of 23,986 MT, and carrying capacity of 2,307 lane meters or 160 trailers. Moreover, the vessel has an additional capacity for 458 cars in dedicated garages.

Following its acquisition, the vessel was chartered to CLdN FERRIES NV, to which she will remain chartered until 31.12.2023, operating international voyages.
